Yes, slides also attached. I'll play with the photo/title slide a bit. For now it's just in there as a placeholder. Let me know of any content changes to make.

Ex. 5 Deliberative Process (DP) added in red in the talking points.

Can you send me the electronic of my Talking points for the Monday webinar. I'd like to do some noodling (which may affect the slide).

Also can we put the attached picture in the slide deck (first or last?)

Thanks!
